

2010 "Flower Power" Spring Product Sale

We have a NEW & IMPROVED Spring Product Sale for your Unit to participate in! The 2010 Spring Product Sale will help send your Scouts to Camp!

The "Flower Power" Spring Product Sale will give your Scouts a great selection of spring flower bulbs and gardening products to sell to family, friends and neighbors– WITHOUT ANY VOUCHERS, DISTRIBUTION OR DELIVERY. Scouts simply take the order, collect the money, and turn it into your Unit Product Sale Chairman. With a few additional steps...Your Spring Product Sale is completed and Scouts are earning their way to camp!

To learn more about this great opportunity for your unit and to sign up for the sale, please attend one of the "Flower Power" Spring Product Sale Kick-Off's! Simply fill out the information below & fax or email it to the Finance Department of the Tall Pine Council, Boy Scouts of America.

(Circle One)
